

REMARKS

This application is a divisional of United States Patent Application No. 09/781,342, filed February 12, 2001.

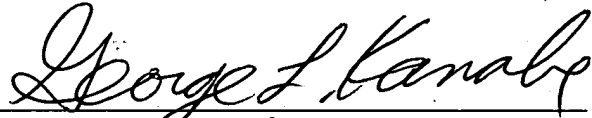

The Examiner in the parent application issued a restriction requirement with the result that claims 13-26 were cancelled and withdrawn from consideration in the parent application. Accordingly, applicant has filed this divisional application directed to the subject matter of claims 13-21.

The specification has been amended to cross reference the parent application, to address the concerns of the Examiner in the parent application regarding the use of trademarks and to correct minor and obvious typographical errors. No new matter has been added by any of these amendments.

Applicant respectfully submits that this

application, as amended, is in condition for allowance. An
early and favorable action is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, reading "George L. Kanabe". The signature is written in dark ink and is positioned above a horizontal line.
